

## GCFC One Sheet for Materials Management in Films

*V1. Updated 07/06/2023*

In Northeast Ohio, we have a robust network of businesses, nonprofits, and individuals that work to create a circular economy. This one sheet for film productions will provide solutions to managing materials used or generated during your production in the area, and is organized into four categories:

- Purchase or Rental
- Donations
- Recycling
- Waste Disposal

### Additional Guidelines and Resources for Green Film Production

- [www.GreenProductionGuide.com](http://www.GreenProductionGuide.com) (includes PEACH, PEACH+, and PEAR for carbon footprint)
