Recycling Vinyl Siding in Northeast Ohio

YOU CAN MAKE A DIFFERENCE!

The Vinyl Siding Institute (VSI) has launched a brand new first-of-its-kind recycling coalition here in Northeast Ohio. You can be part of making it a success!

Please bring your job site scrap and tear down vinyl siding waste to a recycling drop off location near you.

It's that easy!

You can make a difference for Ohio and for the planet. Keeping recyclable products out of the landfill and helping to turn them into new products is a great way to create a more sustainable built environment.

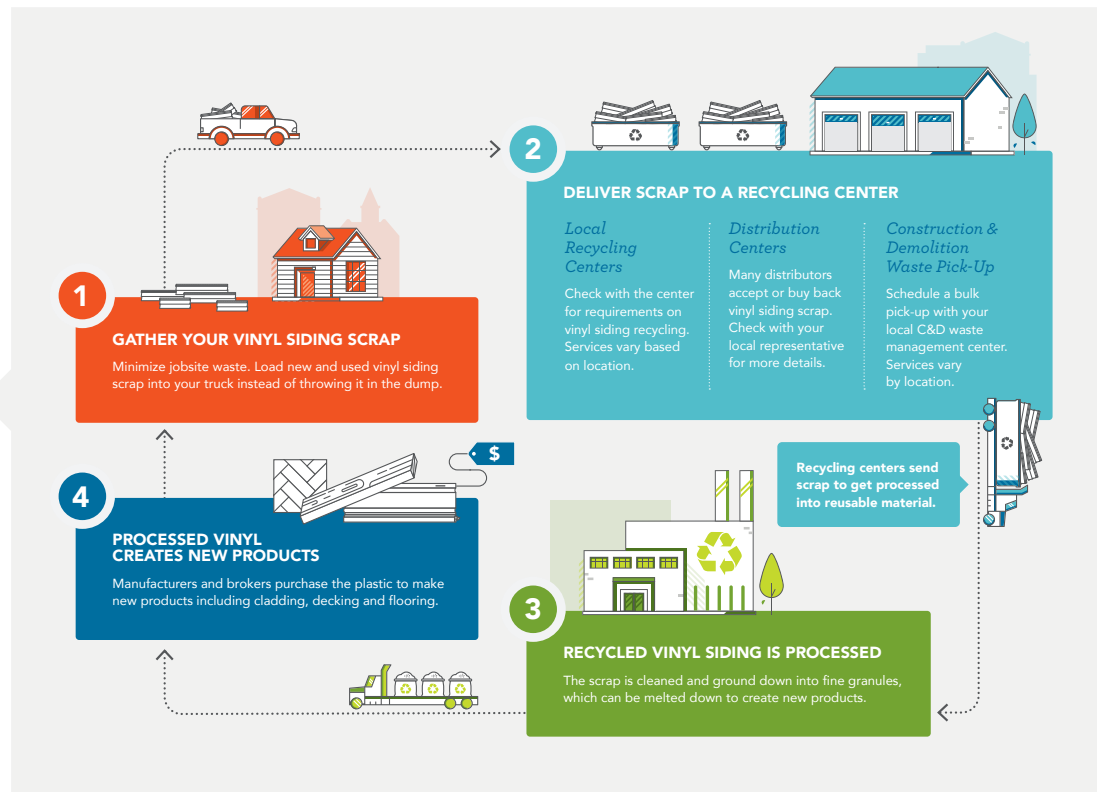

For more information, and to join the Coalition, click [here!](#)

HOW TO RECYCLE VINYL SIDING

- ✓ New construction
- ✓ Remodel
- ✓ Repair

Used, new and unused vinyl and other polymeric products are designed for recyclability. The recycled products can go right back into the manufacturing process to be ground down and reused to create new building materials.

Contact your local recycling centers or bring vinyl siding to participating distributors to complete the lifecycle.

Recycling Rigid Vinyl (PVC)

What can be collected

PVC siding, soffit and accessories used in residential applications are the focus of the program
Other rigid PVC products are allowed to be collected including items like vinyl downspouts, pipe, fence, etc.

DO

- Siding should be as clean as possible, not covered with excessive mud or dirt
- All vinyl siding sizes and colors are acceptable
- Minimize nails and silicone

DON'T

Not Accepted: Insulation, hazardous waste, lead or cadmium-stabilized rigid PVC materials, materials containing asbestos fillers or reinforcement, used household soil or waste plumbing lines, glass, C&D waste (wood, drywall, cardboard), yard waste

Small Percentage Allowed: Dirt residue, ferrous/non-ferrous metals, minor level of trash

Logistics Support

Collection boxes will typically be supplied. Collection boxes will typically be supplied with box size based on waste projected quantity and volume.

Where Can Vinyl Siding Be Recycled?

As our membership grows, so does the number of recycling centers who accept and recycle vinyl siding. See all participating locations below.
